

# Millionaire Lyrics

---

Italy di made fat cigars  
Pull up like a sheikh  
Chauffeured cars tailored suits  
Lakhan de pair  
I'm motherfuc\*ing millionaire

Foreign di beats mote dinars  
I got dirty money super powers  
Munda aa rare karda ni care  
I'm motherfuc\*ing millionaire

Italy di made fat cigars  
Pull up like a sheikh  
Chauffeured cars tailored suits  
Lakhan de pair  
I'm motherfuc\*ing millionaire

Munda top da brand agg lagi hui stocks nu  
Redbull naal glasi khamb lage mere thoughts nu  
10 saal ho gaye aaj vi  
Ohna de zehan ch mein rent free  
Pole dance roz main karaunda  
Billo unglan te oss nu

Oh chaunde reply munda dinda naiyo shit koi  
Mere naal mukable ch hunda naiyo fit koi  
Oh ajj vi ne labela de rehnde jutte chattde  
Tan vi mere zikr bina na geet hit koi

Fan base mera jivein cult koi  
Ghodiyan banaunde bole gaalt koi  
Bina gallon nahiyon og og hundi  
Neetan naal geetan da result ohi

Only boss move oche udaars  
Apni spaceship trip to mars  
Banda top brand mehange ne share  
Flying kisses on from everywhere

Italy di made fat cigars  
Pull up like a sheikh
