

Miloon kya juda reh rahe hain  
Kahu kyaa khafa reh rahe hain  
Khud bewafaai kar rahe woh  
Aur mujhe bewafaa keh rahe hain  
Khud bewafaai kar rahe woh  
Aur mujhe bewafaa keh rahe hain

Miloon kya juda reh rahe hain  
Kahu kyaa khafa reh rahe hain  
Khud bewafaai kar rahe woh  
Aur mujhe bewafaa keh rahe hain  
Khud bewafaai kar rahe woh  
Aur mujhe bewafaa keh rahe hain

Chehara woh mujh se chhupane lage hai  
Aur dooriya woh badhane lage hai  
Rukate nahi ab aankho se aansu  
Kuch is taraah woh rulaane lage hai  
Neende uda ke woh so rahe hai  
Aur ajnabee se wo ho rahe hai

Jab ye kaha ke ik baar milke  
Unko bata du main haal dil ke  
Kabhi mujhse haa keh rahe hai  
Kabhi mujhse naa keh rahe hai  
Khud bewafaai kar rahe woh  
Aur mujhe bewafaa keh rahe hain  
Khud bewafaai kar rahe woh  
Aur mujhe bewafaa keh rahe hain

Tode hai waade badley iraadey  
Rab hi jaane kyaa hoga aage  
Ab jaan lo ye ab jaan lenge  
Kamzor hote rishto ke dhaage  
Tanhaai oo ne toda hai mujhko  
Us bewafaa se aur joda hai mujhko  
Naa chaah kar bhi use dhoondhta hu  
Uske hi ghar se uska pata puchhata hu  
Kabhi woh yaha reh rahe hai  
Kabhi woh waha reh rahe hai

Khud bewafaai kar rahe woh  
Aur mujhe bewafaa keh rahe hain  
Khud bewafaai kar rahe woh  
Aur mujhe bewafaa keh rahe hain

Miloon kya juda reh rahe hain  
Kahu kyaa khafa reh rahe hain  
Khud bewafaai kar rahe woh  
Aur mujhe bewafaa keh rahe hain  
Khud bewafaai kar rahe woh  
Aur mujhe bewafaa keh rahe hain  
Mujhe bewafaa keh rahe hain  
Mujhe bewafaa keh rahe hain.
