Surma baarood naini pai phirdi
Pichhe pichhe pichhe munde lai phirdi
Ghumdi tu banke villain soniye

Sadkaan te kari tu tabaahi phirdi

Tera v planet ni earth kude
Kitte hor duniya di ni tu worth kude
Boliyan te chup-chup rehndi
Nakhre kardi akhaan naal hi flirt kude

Tu lage miss universe kude
Charche vi tere har taraf kude
Nakhro shakeeniyan ch tod koi na
Kardi dubai jaake kharch kude

Tak-tak mundiyan di jaan kadd ke
Kinna hi dilaan di tu jaan ban gayi
Pehlaan hi ni katt dinon-din saj ke
Tu billo heereyan di khaan ban gayi

Ni tera husn ni mera hi toofaan ae
Diva figuran di gallan utte jaam ae
Saare media di tere utte nazran
Lakhhan model da hunda nuksaan ae

Kha thoda jeha tu taras kude
Jachdi black teri mark kude
Nakhro sukhjeet sukhjeet utte ni
Paa rahi ae ve tu kehar kude

Tu lage miss universe kude
Charche vi tere har taraf kude
Nakhro shakeeniyan ch tod koi na
Kardi dubai jaake kharch kude

Rabb ne vi chhaddi na kasoor tere te
Reejhan naal keeti kalaakaari soniye
Chun-chun laindi ae dupatte rang ke

Ve tera aashiq vi pakka hi lalaari soniye

Ve back dimple te lakh synthesizer
Roop rang tera billo folk made aa
Shake karde dubai baithe gourmet
Ve sikandar di dil di jo need aa

Karde natkhat tainu search kude
Siphone te teri ch ki farak kude
Katte ni nakhreyan lattaan vaaste
Tere utte duniya di kul worth kude

Tu lage miss universe kude
Charche vi tere har taraf kude
Nakhro shakeeniyan ch tod koi na
Kardi dubai jaake kharch kude

Tu lage miss universe kude
Charche vi tere har taraf kude
Nakhro shakeeniyan ch tod koi na
Kardi dubai jaake kharch kude
