Raave naa mithai potlamve
Sotta buggalu ratnamve
Nuvvu kunkuma puvvai navvutunnaave

Nuvve naa chandrudavayyaave
Pandu vennela techchaave
Nannu kougalinchi niddura puchchaave

Oore kanaledhe pillaa neelantaandaanne
Teere maarindhe pillaa dochey hrudayaanne
Jodi kattesii ila neetho untaale
Koti chukkalu ila kallamundu kochchi vaalaaye

Bujjikannaa bungamooti bujjikannaa
Ninnu bujjaginchikonaa, inka ninnu vadili polene
Ayyo entati andam neepai undile ishtam
Aashe konchem konchem puttene puttene

Mudduku enduku dooram
Daggaraaga vaste madhuram
Dookey nuvikshanam
Momaatam ika chaalle

Are aadayya

Velakadite maate koti
Atta kannukodite
Neekevvaru saati
Toota digipoye laa kanle guripettaalaa
Vammo ika neevalla valalo padi undaalaa

Pacha tamalapaaku naa pasidi vannela soopu
Nannu kottha kotthaga keluku
Konte korikathoti taaku hey

Emite sittarame gundeke daggarave
Cheppave jattuga neetho jantavuthane

Nuvvu naa bangaarame neenu nee mandaarame
Rechhipo muddula saameela poojinchutaale
Bujjikannaa nuvvu naa bujjikannaa
Chuttuu neeve bujjikannaa
Inko janma nenunnaa neethone

Bujjikannaa bungamooti bujjikannaa
Ninnu bujjaginchikonaa inka ninnu vadili polene

Le le le le le le le
Lele lele lele lele
Le le le le le le le
Lele lele lele lele

Gundelona ninne daachindammo praanam
Vandellu neetho vidiponandi bandham
Gundelona ninne daachindammo praanam
Vandellu neetho vidiponandi bandham

Bujjikannaa bungamooti bujjikannaa
Ninnu bujjaginchikonaa inka ninnu vadili polene
