O o

O chirugaane chere neelaakaashame
O chinukulle jaare saage meghaale

O chirugaane chere neelaakaashame
O chinukulle jaare saage meghave

Alavoka gaanambu tone
Alavaatu ayyaaru meere
Oka jeevitam okkate nijam okkate manam

Mithwa mithwa mithwa mithwa mithwa
Mithwa mithwa mithwa mithwa mithwa
Mithwa mithwa mithwa mithwa mithwa
Mithwa mithwa mithwa mithwa mithwa

Savaraa savara savarase
Savaraa savara savarase
Savaraa savara savarase

Vennanti unde balam meere
Podunte podu hushaare
Naa vaipu ilaa chilipi jaabili
Paalaai vellaa velugule

Rendu kshanaale merisina
Anni swaraalu kurise
Kaalamtho kalavadaali
Vinapadaali manalo mounaale

Idi kalem kaadu
Maa kathalade paadamaa?
Mana gathaalanni modalayye malli
Katha vrudhaa kaadu maa

Mithwa mithwa mithwa mithwa mithwa
Mithwa mithwa mithwa mithwa mithwa
Mithwa mithwa mithwa
Mithwa mithwa
