

Jaaniye heeriye  
Jaaniye heeriye  
Mere mann ye bata de tu  
Kis aur chala hain tu  
Kya paya nahin tune  
Kya dhundh raha hain tu  
Jo hai ankahee jo hain ansuni  
Woh baat kya hai bata  
Mitwa kahe dhadkan hain tujhse pyar  
Mitwa yeh khudse toh na tu chhupa

Mere mann ye bata de tu  
Kis aur chala hain tu  
Kya paya nahin tune  
Kya dhundh raha hain tu  
Jo hai ankahee jo hain ansuni  
Woh baat kya hai bata  
Mitwa kahe dhadkan hain tujhse pyar  
Mitwa yeh khudse toh na tu chhupa

Jeevan dagar mein prem nagar mein  
Jeevan dagar mein prem nagar mein  
Aaya nazar mein jab se koi hain  
Tu sochta hain tu puchata hain  
Jiski kami thi kya yeh wohi hain  
Haa yeh wohi hain  
Haa yeh wohi hain  
Tu ek pyasa aur yeh nadi hain  
Kaahe nahin isko tu khulke bataye  
Jo hai ankahee jo hai ansuni  
Woh baat kya hai bata  
Mitwa kahe dhadkan hain tujhse pyar  
Mitwa yeh khudse toh na tu chhupa

Teri nigaahen  
Par tu yeh soche jaaun na jaaun  
Yeh zindagi jo hai naachti toh  
Kyon bediyon mein hain tere paanv  
Preet ki dhoon par naach le paagal  
Udta agar hain udne de aanchal

Kaahe koi apne ko aaise tarsaaye  
Jo hai ankahee jo hain ansuni  
Woh baat kya hai bata  
Mitwa kahe dhadkan hain tujhse pyar  
Mitwa yeh khudse toh na tu chhupa
