Modalane maathu thodaluve naanu  
Padagala neene heli kodu  
Sanihake bandu nalumeyalondhu  
Manasina haadu haadi bidu

Bisi usiralli bayakegalannu  
Heluve poorthi keli bidu  
Koruve ninage tholina olage  
Koneya varege iralu bidu

Modalane maathu

Bhaavane, kaamane besedu nodu begane  
Bandu nee neegisu, neenu irada vedane  
Kanna beresu kallaata kalisu  
Suduva viraha mugisi bidu

Kanasali padeda chumbanavannu  
Nanasali nanage marali kodu  
Nannanu yenu kelade neenu  
Thutige thutiya berasi bidu
