

Mat kar moh tu,
Mat kar moh tu,
Mat kar moh tu,
Hari bhajan ko maan le maan le
Mat kar moh tu,
Hari bhajan ko maan le maan le
Mat kar moh tu

Nayan diye darshan karne ko
Nayan diye darshan karne ko,
Darshan karne ko,
Nayan diye darshan karne ko,
Shravan diye sunn gyaan re
Shravan diye sunn gyaan re
Shravan diye sunn gyaan re
Mat kar moh tu

Endless night, somewhere inside,
Bharatlyrics.com
You've been down, you've been out,
But you know you'll survive,
Know you will rise,
Know you'll survive.

Kahet kabir suno bhai sadhu,
Kahet kabir suno bhai sadhu,
Suno bhai sadhu,
Kanchan nipjat khaan re
Kanchan nipjat khaan re
Kanchan nipjat khaan re
Mat kar moh tu

Eyes give away more than i can say,
And your dawn is coming fast,
Come get your light,
Get your light to shine
Mat kar moh tu,
Mat kar moh tu,
Mat kar moh tu,
Mat kar moh tu,

Mat kar moh tu,
Mat kar moh tu.
