

Ho mohabbat hain kya cheej  
Kuchh toh kaho kaho na bolo  
Ho mohabbat hain  
Kya cheej kuchh toh kaho  
Ha mohabbat karo aur khud jaan lo

Mohabbat toh karata hain saara jamaana  
Mohabbat hain kya yeh nahin koyi jaana  
Laga rog hamako yeh sadiyon puraana  
Main teri deewaani tu mera deewaana  
Mohabbat toh karata hain saara jamaana  
Mohabbat hain kya yeh nahi koyi jaana

Mohabbat hain kya phir yeh hain ek paheli  
Samajh lo ke yeh hain khushi ki saheli  
Mohabbat hain kya phir yeh hain ek paheli

Samajh lo ke yeh hain khushi ki saheli  
Magara isaka ghum se bhi hain dostaana  
Muhabbat hai kya yeh nahin koyi jaana  
Laga rog hamako yeh sadiyon puraana  
Main teri deewaani tu mera deewaana

Isaahre nigaahon se karake na dekho  
Mujhe itani pyaari nazar se na dekho  
Isaahre nigaahon se karake na dekho  
Mujhe itani pyaari nazar se na dekho  
Nazar ek bijali dil aashiyaana  
Muhabbat hai kya yeh nahi koyi jaana  
Laga rog hamako yeh sadiyon puraana  
Main teri deewaani tu mera deewaana

Kahaan ja rahe the kahaan aa gaye hum  
Jahaan par tha aana wahaan aa gaye hum  
Kahaan ja rahe the kahaan aa gaye hum  
Jahaan par tha aana wahaan aa gaye hum  
Bada khubsurat bana yeh bahaana  
Main teri deewaani tu mera deewaana  
Mohabbat toh karata hain saara jamaana  
Mohabbat hain kya yeh nahi koyi jaana

Laga rog hamako yeh sadiyon puraana  
Main teri deewaani tu mera deewaana.
