

When you are not with me
Nahi dil ko aaram
I think of you always
Subha ho ya shaam
When you are not with me
Nahi dil ko aaram
I think of you always
Subha ho ya shaam

I think of you always
Subha ho ya shaam
Mohabbat mein ye kya nazar aa raha hai
Mohabbat mein ye kya nazar aa raha hai
Ke main hoon yaha dil chala ja raha hai
When you are not with me
Nahi dil ko aaram
I think of you always
Subha ho ya shaam
Mohabbat mein ye kya nazar aa raha hai
Mohabbat mein ye kya nazar aa raha hai
Ke main hoon yaha dil chala ja raha hai
Ke main hoon yaha dil chala ja raha hai

Bana yeh dil musafir is pyaar mein
Kyon methi si chuban hai is haar mein
Mere sanam ek bebasi hai in dhadkano ki raftar mein
Jao mein kahan jao kehdo zara
Pagal hua hoon intezaar mein
Yeh kis aag mein dil jala jaa raha hai
Yeh kis aag mein dil jala jaa raha hai
Ke main hoon yaha dil chala ja raha hai

Ke main hoon yaha dil chala ja raha hai

When you are not with me
Nahi dil ko aaram
I think of you always
Kabhi yeh meri dhadkan ruk ne lage
Kabhi yeh meri dhadkan chal ne lage
Kabhi hasayein yaadein

Kabhi rulayein yaadein
Betabi dil ki badne lage
Najane mere dil tu chahata hai kya
Hum chahaton se darne lage
Yeh kis chah mein dil mita ja raha hai
Yeh kis chah mein dil mita ja raha hai
Ke main hoon yaha dil chala ja raha hai
Mohabbat mein ye kya nazar aa raha hai
Mohabbat mein ye kya nazar aa raha hai
Ke main hoon yaha dil chala ja raha hai
Ke main hoon yaha dil chala ja raha hai.
