

Mohabbat ne badal di
Halate kuch is tarah
Dil ki manzil par pahuch kar
Humko talash hai manzil ki
Kaha gham ne dil e nadan
Zara samjha karar aaya
Huyi taqdeer ki uljhi huyi zulfen

Magar dil ne kaha hanskar
Mohabbat naam hai gham ka
Yeh daulat kya mili
Ke bad gayi betabiya dil ki
Yeh daulat kya mili
Ke bad gayi betabiya dil ki
Mohabbat ne badal di
Halate kuch is tarah dil ki

Uther is baat ka sikwa
Ke milne ko taraste hai
Idhar yeh gham ke hansne se
Jiya puri baraste hai
Azab toofa hai logo
Mohabbat naam hai jiska
Khabardar inko kasti ki kasti.
