

Hawa keh rahee hai ghata keh rahee hai, hasin yeh najara hai
Dil hee yeh samjhega dil hee yeh janega, dil ka ishara hai
Hawa keh rahee hai ghata keh rahee hai, hasin yeh najara hai
Dil hee yeh samjhega dil hee yeh janega, dil ka ishara hai
Mohabbat ne mohabbat ko, mohabbat se pukara hai
Mohabbat ne mohabbat ko, mohabbat se pukara hai

Hawa keh rahee hai ghata keh rahee hai, hasin yeh najara hai
Dil hee yeh samjhega dil hee yeh janega, dil ka ishara hai
Hawa keh rahee hai ghata keh rahee hai, hasin yeh najara hai
Dil hee yeh samjhega dil hee yeh janega, dil ka ishara hai
Mohabbat ne mohabbat ko, mohabbat se pukara hai
Mohabbat ne mohabbat ko, mohabbat se pukara hai

Mohabbat se meree jo aankhe milee toh, mohabbat mai karne laga
Jo dekhee mohabbat kee divangee toh, mohabbat pe marne laga

Mohabbat ko toh chain aaye meree jan, mohabbat kee aaghosh me
Mohabbat se milke divanee rahe na, mohabbat kabhee hosh me

Meraa dil meree jan tu meraa arman
Mujhe toh teree khubsurat jawan inn adaaon ne mara hai

Jara puchh maine bina tere kaise, yeh lamha gujara hai
Mohabbat ne mohabbat ko, mohabbat se pukara hai
Mohabbat ne mohabbat ko, mohabbat se pukara hai
Mohabbat mohabbat tere dil pe likh du, mohabbat meraa nam hai
Mohabbat se badhke nahee kam koyee, mohabbat meraa kam hai
Mohabbat ko dekho, mohabbat ko chaho, mohabbat se bate karo
Mohabbat kabhee dur jaye jo mujhse, mohabbat me aahe bharo
Yeh vada tute na, yeh daman chhute na
Teraa pyar mujhko ae jane jahan, jindagee se bhee pyara hai

Tere rup ko maine jane tamanna, jigar me utara hai
