

Monster Lyrics

Jaane kis khidki se
Yaadein teri aatin hai?
Jaan teri baatein meri
Jaan le ke jaati hain

Sara din baithi main sochun
Miley kabhi toh main poochhun
Enna sattaave mainu kyun tu?
Huh?

I made a monster out of you
And i don't know what to do
I made a monster out of you
But i'm giving in to you

And if i had to tell the truth
Maybe i'm a sadist too
And i kinda like it too

Zyada matlab nikaala
Tere kuch kahe ka nahi
Tere vaadon ko dekha
Iraadon ko dekha nahi

Ab jo dikhta hai sab saaf
Kaise karun maaf
Roothi hoon tooti hoon
Jhoothi teri baaton mein
Mann bahega nahi

Kyun doon tujhe dil ka tohfa?
We are so good when we're so far
Get your ass up from my sofa

I made a monster out of you
And i kind of like it too
I made a monster out of you
And i kind of like it too

And from a toxic point of view
Baby i'm a sadist too
And i kinda like it too

Tuney mujhpe lagaaye
Jitne bhi ye ilzaam hain
Sach kahun toh ye meri
Mohabbat ka inaam hai

Achchhi hoon ya buri
Tere dil mein bhari hoon
Mere dil ko aaraam hai
Hai haan hai

Jaise main japti tera naam
Yaad aaun tujhko subah-shaam
Ho na mere bin koi kaam
Do you miss me?

I made a monster out of you
And i kind of like it too
I made a monster out of you
And i kind of like it too

Baby i'm a sadist too
And i kinda like it too

Teri zaroorat nahi hai
Phir bhi kami toh kami hai
Aadat jo teri rahi hai
Achchhi-buri jaisi bhi hai yahi hai

Mushkil toh hai bhool paana
Has kar ke gham ko chhupana
Kar ke koi toh bahana
Khud ko ye samjhaish di hai maine ki

Kab tak rahe dil ye rota?
Yun toh guzara na hota

Kya sochun jo tha wo kyun tha?
Imma forget about it

I made a monster out of you
And i don't know what to do
I made a monster out of you
No i don't know what to do

And from a toxic point of view
Baby i'm a sadist too
And i kinda like it too
