

Main deewana tu deewani hai
Ek raat ki kahani hai
Mera mann toh maan gaya
Tu maar ke baat manani hai
Aaj raat mein barsaat mein cheeda uda dunga
Mood bna dunga re chori mood bana dunga
Mood bna dunga re chori mood bana dunga..

Bad pe good, good pe bad,
Bad pe good i am good pe bad,
Bad pe good and good pe bad,
Bad mood, good mood, good mood, bad mood..
Shabdon me mere zor, chora saaf suthara chor
Ek raat se mann nahi bharta, ek raat baby aur
Ab meri baat pe kar tu gaur, ab meri baat pe kar tu gaur,
Aao baby karein kuch jo ab tak kiya nahi
Meri raat wo jinki koyi subah nahi
Mere sath aana kabhi tu na ghabrana
Aa main dikha tuje no. 1 haryana
Chora good paunga main
Maje leke jaunga
Sedo ho pasand toh main ke launga
Ladta nahi main baby iske bavjud
Dekhe koyi soche toh mita dunga wajood
Ibb jo dekhe meri chori
Mor bana dunga aaja

Tera mood bna dunga re chori mood bana dunga
Mood bna dunga re chori mood bana dunga

Dafter te free ho gayi
Saari duniya te kho ho gayi
Dafter te free ho gayi
Saari duniya te kho ho gayi
Ghar waale bhi phone maarne
Chori jaag rahi hai ke so gayi

Teri room mate ne pata hai
Main tanne bitha dunga

Mood bna dunga re chori mood bana dunga
Mood bna dunga re chori mood bana dunga..
