

Moon Lyrics

Kyu yaar behta zehen me tu mere yaha
Ese banke mera yu koi khwaab
Kabhi jo aaye na han dil me saawal tere
Meri nazaro se padhle jawaab

Ve saaya saaya tera saaya
Me jithe jaawa naal hi aaya
Chaaya chaaya rooh te chaaya
Ve menu tere kol le aaya

Channa me teri chandaniyan chandaniyan
Menu leja tu ambran toh paar saajna
Me teri chandaniyan chandaniyan
Ghar hove saada ambraan toh paar

Channa me teri chandaniyan chandaniyan
Menu leja tu ambran toh paar saajna
Me teri chandaniyan chandaniyan
Ghar hove saada ambraan toh paar

Kesa ghanera chaya saaya
Tune ujalo se milaya
Ankhon se meri doorr tha jo
Tune nazara wo dikhaya

Jab bhi nazrein milaye
Ankhein dekhe tujhe jaaye
Mere khaabon me fir aake
Mujhe khaabon me lejaaye
Jitna zameen aur asmaan me faasla hai
Utto zyada hi tenu me chauni aa

Channa me teri chandaniyan chandaniyan
Menu leja tu ambran toh paar saajna
Me teri chandaniyan chandaniyan
Ghar hove saada ambraan toh paar

Channa me teri chandaniyan chandaniyan
Menu leja tu ambran toh paar saajna
