Yaad piya ki aaye
Ye dukh saha na jaaye

Yaad piya ki aaye

Saanson ke dhaage
Kachche kachche lagte hain
Logon ke ulhane mujhe acche lagte hain
Hakki bakki bistar ki saari silwatein hain
Murjhaye naina ko ratiyaan jaage hain
Thag gya koi aur gye hum thage
Mora jiya na lage
Na lage jiya na lage
Na lage jiya na lage

Maar rahe ho taane
Jaise kyun khali kamre jaake aise
Taare bechare har dukh baatein
Needon mein koi bo gya kaante
Aas ki dori toot rahi hai
Jaan nigori choot rahi hai
Uss bin jind di kaise kate
Mora jiya na lage
Na lage jiya na lage
Na lage jiya na lage

Bholi umariya ka ek jhoka
De gya mihko dard anokha
Khurchan dil ki utarti jaaye
Mujhko ik pal chain na aaye
Do baaton pe jeevan thahra
Uski baatein uska chehra
Uski ye chavi kaise hate
Mora jiya na lage
Na lage jiya na lage
Na lage jiya na lage.
