

Aao re aao re aao aao re  
 More balma ab na satao re  
 Aao re aao re aao aao re  
 More balma ab na satao re  
 Aao re aao re aao aao re  
 Teri gali mein huya badnaam  
 Kaise aau main  
 aji kaise aau main  
 Lab pe hai ek tera naam  
 Kaise batau main  
 aji kaise batau main  
 Dil mein lagi hai aag ek  
 Dil mein lagi hai aag ek  
 Ise aake bujao re  
 Balma ab na satao re  
 Aao re aao re aao aao re

Dil ki duniya lutne wale  
 Ab naam mat bhul jana  
 Kahi hanse na zamana  
 Shama se jalne aaye jo  
 Wo abla ka hai parwana  
 Main hu tera deewana

 Chhodo sajan baat yeh  
 Chhodo sajni baat yeh  
 Ab thoda sa muskao re  
 More balma gadi tez chalao re  
 Chalao chalao chalao re  
 Kahe jiya ghabrave  
 Mora kahe jiya ghabhrave  
 Mit jao re jao mit jao re  
 More balma ab na satao re  
 Aao re aao re aao aao re

In lehro ki chanchalta mein  
 Chhupi huyi hai kahani  
 Ek chhupi huyi hai kahani  
 Kudrat ki har prit ko dekho  
 Nach rahi hai jawani

More balma ab na satao re  
Aao re aao re aao aao re.
