More than anything
Tu zindagi tu mera pehla pyar
Tu mery pehli arzo

U know i luv u more
Than anything
More than anything uuh
U know i luv u more
Than anything
More than anything uuh
U know i luv u more
Than anything

Beqarari badhti jaye mere dil ki
Halat kya hai koi jane na
Naam na loon jab
Tera dil na dhadke mera
More than anything uuh
U know i luv u
More than anything
More than anything uuh
U know i luv u
More than anything

Ek pal tuje na dekho
Ankhion ko lagta hai
Yuhn tere bina
Jaisey sub kho gaya
Kya mujhe ho gaya
More than anything uuh
U know i luv u
More than anything
More than anything uuh
U know i luv u
More than anything

Ve mein teri ranjan yaar
Ve ranjdiyan ve ranjdiyan
Ranjdiyan haye ranjhan yaar
