

Motha Lyrics

Kovvuru area lo evarru kattani seera katti
Kadiyakulanka parisarallo evarukettani poolu petti
Godavari galagalu aani gaajullaga sethiki todigi
Thukupago rasikathal anni vaddanamla vantiko suttu

Nene vastey motha motha
Motha moggi poddhi
Motha moggi podhi
Motha mogi podhi
Motha mogi mogi mogi mogi mogi podhi

Vellupattana nee kallu thakana
Chempa gillana nee chengu lagana
Oorikena utha punnyanikena

Velikiungaram koni testey velu pattanista
Chitakani velu pattanista
Kallaki kadiyalu cheyistey kallu takanista
Ammoo kallu takanista

Chemki nuvvey techeste
Chempa gillanista nenu ready
Chemki nuvvey techeste chempa gillanista

Inko chiree tisukostey
Ee chengu laganista
Vallantha singariste vallakostava

Papa vanikinchestava
Vallantha singariste
Vanti needa neekestara
Na vonti needa neekestara

Motha motha motha moggi poddhi
Motha moggi podhi
Motha mogi podhi
Motha mogi mogi mogi mogi mogi podhi
