

Motiyo ki ladi hun mai
Phulavaa ki chhadi hun mai
Re sundar badi hun mai
Duniyaa bhulaae ankhiyaan bichhaae
Kab se khadi hun mai
Duniyaa bhulaae ankhiyaan bichhaae

Kab se khadi hun mai
Motiyo ki ladi hun mai
Phulavaa ki chhadi hun mai
Re sundar badi hun mai
Duniyaa bhulaae ankhiyaan bichhaae
Kab se khadi hun mai

Bechain hun kitani der se
Baithaa hai tu nigaah ke kyo pher ke
Zaraa saa to mujhe dekh chhed ke
Bechain hun kitani der se
Baithaa hai tu nigaah ke kyo pher ke
Zaraa saa to mujhe dekh chhed ke
Mai bhadak gai to phir aag naa bujhegi
Ik phulajhadi hun mai
Duniyaa bhulaae ankhiyaan bichhaae
Kab se khadi hun mai
Motiyo ki ladi hun mai
Phulavaa ki chhadi hun mai
Re sundar badi hun mai
Duniyaa bhulaae ankhiyaan bichhaae
Kab se khadi hun mai

Mai kaun hun teri pyaas hun
Husn ki mai adaa ek khaas hun
Aaj qismat se mai tere paas hun
Mai kaun hun teri pyaas hun
Husn ki mai adaa ek khaas hun
Aaj qismat se mai tere paas hun
Mai nikal gai to phir haath nahi aaungi
Aisi ghadi hun mai
Duniyaa bhulaae ankhiyaan bichhaae
Kab se khadi hun mai

Motiyo ki ladi hun mai
Phulavaa ki chhadi hun mai
Re sundar badi hun mai
Duniyaa bhulaae ankhiyaan bichhaae
Kab se khadi hun mai
Duniyaa bhulaae ankhiyaan bichhaae
Kab se khadi hun mai.
