

Masti mein nachenge tum aur hum  
Motor chalegi pum pum pum  
Are masti mein nachenge tum aur hum  
Motor chalegi pum pum pum  
Are aage aage jaati hain  
Picche dhuaan udati hain  
Bhupu aise bajati hain jaise koi sargam  
Masti mein nachenge tum aur hum  
Motor chalegi pum pum pum

Halla machayenge mauj manayenge  
Chabi ghumakar motor chalayenge  
Haan motor hamari chalti hain  
Chalte huye na rukati hain  
Jhatke iske dekho latke iske dekho  
Nakhare dikhati hain ye har dam  
Masti mein nachenge tum aur hum  
Motor chalegi pum pum pum  
Are masti mein nachenge tum aur hum  
Motor chalegi pum pum pum

Gaadi ye kyon nahi chalti hain  
Engin mein thodi ghadbad hain  
Ajee chhodo ye bahut purani hain  
Haay mere to dil ki raani hain  
To kaahe ko addi hain  
Dekho chal padi hain  
Are dekho chal padi hain  
Are dekho chal padi hain  
Are is motor ko dekho mere humdum  
Masti mein nachenge tum aur hum
