

Mousam beiiman sa lag raha hai
Toofan aayega koyi
Mehakar hawaon mein
Behka hua sa armaan aayega koyi
Haan toofan aayega koyi

Kiski aahat hai sach bata
Ae ghata ae ghata ae ghata
Ae ghata ae ghata ae ghata

Baarish ne badal se baarish ne badal se
Mashvira aaj kya kar liya
Ae ghata ae ghata ae ghata

Ae ghata ae ghata ae ghata

Sawan ke daman mein
Sawan ke daman mein
Kya chupa hai tujhe hai pata
Ae ghata ae ghata ae ghata
Ae ghata ae ghata ae ghata
Ae ghata ae ghata ae ghata.
