

Move Body Lyrics

Kyon saha na jaaye ankhiyon se rehna tera door
Kyon zubaan pe meetha-meetha lage ye suroor

Shakkar ka nasha
Cheenti ko marwaayega
Shakkar ka nasha
Saare paap karaayega

Hosh nahi hai tu
Jidhar bataaye main chal doon
Karishmagar tu bol bhar
Tere vash mein phans gayi hoon
Ah ah ah ah

Oya shake body
Oya move body
Oya shake body
Oya move body

No dey don't
Make you dey flex
Dance floor hot
Till the morning next

We spin make it poppin
Boy your moves got me sweatin

Gimme dat
Gimme dat vibe
Gimme dat vibe

Shake it for me
Make it go fly
With the fire burning inside

Ah coupe decale ma
Sagacité équilibre
Farotement décale décale
Krikata krikata krikata krikata

BHARAT

Oya move body

Aa ja na ab saath mein
Khul kar thirak zara
Haathon ko de haath mein
Mil kar thumak zara
Koi dhun si hai is raat mein
Dhin tak tinak dha dha

Shakkar ka nasha
Sar pe jo chadh jaayega
Shakkar ka nasha
Chakkar mein phanswayega

Josh mein hoon main tu
Jo bhi bataaye main kar du
Oh humsafar
Tu bol bhar
Tere raste chal gayi hoon

Oya shake body
Oya move body
Oya shake body
Oya move body
Oya shake body
