

Dehka dehka sa yeh
Sama pighla dega aasman
Abb toh aaja move with my body
Thoda junun thoda nasha
Thoda zehar thodidawa
Abb toh aaja move with
My body let me take u down
Turn u round and round
Oh just come on now
Move with my body and take u down
Turn u round and round
Turn me round and round and round

Aa jara sapna naya dekhe
Bharatlyrics.com
Lamha naya jile sath me
Kya khabar baho me jo hain kal
Yeh mile ya phir kabhi naa mile
Khwahish khwahish hain yahi
Sab kuchh milta hai yaha
Abb toh aaja move with my body
Gehra gehra yeh bhanwar
Bach ke jayega kaha
Abb toh aaja move with my body
Thodi duwa thoda kehar
Oh just come on now
Move with my body khudse
Tu darr aye bekhobar
U got me spinning round
And round now yeah

Aa jara khwabo kichayi
Chahat ki gehrayi nap le
Raste kam ho ya naa ho
Par hath tera ho hath me
Meetha meetha yeh zehar
Behka behka yeh dhan
Abb toh aaja move with my body
Abb mai bhimai naa rahi
Abb tu bhitu naa raha

Abb toh aaja.
