Jadon nach ni tu disco ch lit lagdi  
Billo daru wangu sanu ni tu hit kardi...

Move your lakk baby  
Move your lakk baby  
Saari raat se morning takk baby

Move my lakk baby  
Move my lakk baby  
Saari raat se morning takk baby

La la lakk tera hile jaise pendulum  
Baby isey kaise kare isse handle hum  
Nayi gaadi ki kasam  
Dekh ke tujhe bigda hai mera maansik santulan

Baby ladko ke dilon se mat kar tu play  
Betuki baatein na kar banja bae  
Waise to na na prakar ki ladkiyan hain yahan par  
But tu karti hai slay

Khatti meethi lage jaise ginger ale  
Dekhi nahi teri jaisi koi female  
Club mein katte nikalwa de
