

Neeviyan tu kuch der paake rakh le,
Palle vich mukhda lukake rakh le,

Neeviyan tu kuch der paake rakh le,
Palle vich mukhda lukake rakh le,
Aewin kari na kise de naal pyar,
Mundeya taun bach ke rahi,

Bach bach ke rahi,
Bach ke rahi,
Bach bach ke rahi,

Ni tu hune hune hoyi mutiyar,
Mundeya taun bach ke rahi,

Yo, is that punjabi bruce banner,
You don't wanna see me go bananas on gorillas,
Cause the panic when they see us in insanity,
A mystery two forces come together,
And cause desi history,
Formulated symphony,
It goes from detroit to lahore to delhi,
Its a global epidemic,
You asked for what you get it,
Now you call a paramedics,
But what you all forget
Is that dr. Khan's the medic,
Just holding a anesthetic,

Now you get the picture,
Its roll up in a rickshaw,
Mixture,
Sharukh khan, aamir khan, govinda,
Mundeya taun bacho warna na rahoge zinda,
Main te ek sher di kaum ton call me simba,
Using my angrezi to conquer gore and kaale,
Ride in my vict my side kali denali,
Raised by the og chahci mehmood,
Still blazing that kashmiri hashish off in the mood,

Neeviyan tu kuch der paake rakh le,

Palle vich mukhda lukake rakh le,

Neeviyan tu kuch der paake rakh le,
Palle vich mukhda lukake rakh le,
Aewin kari na kise de naal pyar,
Mundeya taun bach ke rahi,

Bach bach ke rahi,
Bach ke rahi,
Bach bach ke rahi,

Ni tu hune hune hoyi mutiyar,
Mundeya taun bach ke rahi,
Bach bach ke rahi oye,

Jiven ik kash kashmiri hashish,
Yeah, head rash jadon bohemia beat te,
'labh janjua' tera jaan de baad vi,
Dekh gali gali charche ne tere geet de,

Kudiyān ne what! Laah ditti sandal,
Purse chhad ditte seat te,
Hun munde ik paase bhangra paun,
Ve duje paase crip dance karan beat te,

Naale shaxe mere kol mainu chahida na drama,
Doc mere kol medical marijuana,
Aapa raat saari nachna saver bhavein hojaye,
Kal raat fer aapa aidan jashan manaana,
Ve jinna vi tu banle patola,
Jadon akhiyan ladiyan tethon reha ni jaana,

Main gali vich benz vich firan,
Jadon delhi vich hovan jaguar chalaavan,
Billo,

Neeviyan tu kuch der paake rakh le,
Palle vich mukhda lukake rakh le,

Neeviyan tu kuch der paake rakh le,
Palle vich mukhda lukake rakh le,

Aewin kari na kise de naal pyar,
Mundeya taun bach ke rahi,

Bach bach ke rahi,
Bach ke rahi,
Bach bach ke rahi,

Ni tu hune hune hoyi mutiyar,
Mundeya taun bach ke rahi,

My lyrics let 'em match,
Poppins my cd i'm shahid afridi,
Bharatlyrics.com
This is my trick in match,
Jiven cricket match ve teri ball kara catch throughout,
We call motherfuckers out,
Bach bach ke rahi

Unleash fury,
On a rapper like i'm about to rip his heart out like amrish puri,
Bach ke rahi

Meri majboori,
Ve nayi te variyan de lahoo naal laal rave meri churi,
Bach bach ke rahi

We're commin' crashing to your party,
Lights off with kali denali,
Lots of do some for delhi qawali,
Bach ke rahi

Maine industry hiladi,
Jadon di kale rang di gaddi gmc di track te chala di,
Bach bach ke rahi

I see dooms day comin' so batman & superman,
Just came together you say,
Bach bach ke rahi

Beware beware beware,
Beware to boys,

Neeviyan tu kuch der paake rakh le,
Palle vich mukhda lukake rakh le,
Aewin kari na kise de naal pyar,
Mundeya taun bach ke rahi,

Bach bach ke rahi,
Bach ke rahi,
Bach bach ke rahi,

Ni tu hune hune hoyi mutiyar,
Mundeya taun bach ke rahi.
