

Mudhal Muththam Song Lyrics

Yaarum illaatha maamalai
Meedhu ennodu nee
Aadai illaatha muzhu nilaa
Oliyil nanaigindra naan

Meni mel modhum kaatrinai
Udaithu thadukkindra nee
Bhoomiyin motha kaadhalai
Kudikka thudikkindra naan

Uyir muzhudhum thiratte
Idhazh meedhu thee mottiyae
Anaithidave azhaithen
Un idhazhil thaen kottiye

Mutham mudhal mutham
Athu idhayam thirakkindra
