

Mugavari Thedi Lyrics

Mugavari thedi alanchen
En mudhal needhaan mulusa purinchen
Marupadiyum naanum samanjen
Naan unakkena poothu pudhusa velenchen

Vaasalathan paathirukken
Paavipaya vaayendaa
Kaal kadukka kaathirukken
Vaari kolla vaayendaa

En usurae unakkenathan irukku
Un varavu enakkadhuthaan kizhakku

Pothi vecha aasai ellaam
Vetta veli soodamaachu
Pottu veikkum aasai mattum
Pathikitta deepam aachu

Ohh pethavanga pechai ellam
Vittu thalli kooda vaaren
Mathavanga paarva munna
