

Beemar ko bekaar na kardo ya rab
Iss jeene ko dushwar na kardun ya rab
Iss khaab se har shaam ko pee leta hoon
Main khud se bhi inkaar na kar dun ya rab

Peene de mujhe bhar de mera paimaana
Duniya to hain ek uljha huaa afsaana
Jab tak mujhe maalum na ye ho jaaye
Main aaya kahan se hun kahan hain jaana

Mujh se mera kya rishta hai
Mujh se mera kya rishta hai
Har ek rishta bhool gaya
Itne aaine dekhe hain ki
Apna chehra bhool gaya
Mujh se mera kya rishta hai

Ab to yeh bhi yaad nahi hai
Farq tha kitna dono main
Ab to yeh bhi yaad nahi hai
Farq tha kitna dono main
Us ki baatein yaad raheen aur
Us ki baatein yaad raheen aur
Us ka lehja bhool gaya
Itne aaine dekhe hain ki
Apna chehra bhool gaya
Mujh se mera kya rishta hai

Pyasi dharti ke hothon per
Mera naam nahi to kya

Pyasi dharti ke hothon per
Mera naam nahi to kya
Main woh baadal ka tukda hoon
Main woh baadal ka tukda hoon
Jis ko dariya bhool gaya
Itne aaine dekhe hain ki
Apna chehra bhool gaya
Mujh se mera kya rishta hai

Duniya wale kuch bhi kahein

Rashid apni majboori hain
Duniya wale kuch bhi kahein
Rashid apni majboori hain
Uski gali jab yaad aayi hain
Uski gali jab yaad aayi hain
Ghar ka rasta bhool gaya
Itne aaine dekhe hain ki
Apna chehra bhool gaya
Mujh se mera kya rishta hai
Har ek rishta bhool gaya
Mujh se mera kya rishta hai
Har ek rishta bhool gaya.
