

Mujh se pahali si mohabbat,  
Mere mehboob, na maang  
Mujh se pahali si mohabbat,  
Mere mehboob, na maang  
Mujh se pahali si mohabbat,  
Mere mehboob, na maang  
Mujh se pahali si mohabbat,  
Mere mehboob, na maang  
Maine samajhaa tha ke tu  
Hai to darakhshaa hai hayaat  
Tera gam hai to gam e dahar  
Ka jhagadaa kya hai  
Teri surat se hai aalam mein  
Bahaaro ko sabaat  
Teri aankho ke sivaa duniyaa  
Mein rakhaa kya hai  
Teri aankho ke sivaa duniyaa  
Mein rakhaa kya hai  
Tu jo mil jaae to  
Taqadir nigo ho jaae  
Yun na tha, maine faqat  
Chaahaa tha yun ho jaae  
Mujh se pahali si mohabbat,  
Mere mehboob, na maang  
Mujh se pahali si mohabbat,  
Mere mehboob, na maang

Bahimaanaa talism  
Anaginat sadiyo ke taarik  
Bahimaanaa talism  
Resh o athalas o kamakhaab  
Mein gunwaye hue  
Jabaazaar bikate hue puchha tha  
Jabaazaar mein jism  
Khaak mein litade hue  
Khun mein nahalaae hue  
Laut jaati hai udhar  
Ko bhi nazar kyaa kije  
Ab bhi dilakash hai teraa husn,

lyrics

Magar kya kije  
Ab bhi dilakash hai teraa husn,  
Magar kya kije  
Aur bhi dukh hai  
Zamaane mein  
Mohabbat ke sivaa  
Raahate aur bhi hai  
Vasl ki raahat ke sivaa  
Mujh se pahali si mohabbat,
