Mujhe duniya se dar lagta hai  
Mujhe duniya se dar lagta hai  
Mujhe apni bahon mein lelo  
Mujhe duniya se dar lagta hai  
Meri jaanam meri jaan hai tu  
Meri jaanam meri jaan hai tu  
Tera koi kya kar sakta hai  
Tera koi kya kar sakta hai  
Mujhe apni bahon mein lelo  
Mujhe duniya se dar lagta hai  
Mujhe duniya se dar lagta hai

Mera rasta kyu rok liya  
Rok liya kyu rok liya  
Mera rasta kyu rok liya  
Raste pe nain bichane hai  
Raste pe nain bichane hai  
Julfo se khej rahe ho kyu  
Julfo se khej rahe ho kyu  
Julfo me phul lagaane hai  
Julfo me phul lagaane hai  
Dil me aisi bechini ho to  
Phul bhi khanjar lagta hai  
Mujhe apni bahon mein lelo  
Mujhe apni bahon mein lelo  
Mujhe duniya se dar lagta hai  
Mujhe duniya se dar lagta hai

Ek pyase tere hotho par hotho par  
Ek pyase tere hotho par  
Tumne kaise pahchan liya  
Tumne kaise pahchan liya  
Ek aag lagi hai hai sine mein  
Ek aag lagi hai hai sine mein  
Tumne kaise jan liya  
Ek teer sa teri najro se  
Mere dil par lagta hai
