

Mujhe chhu rahi hai, teri garm saase
Mere raat aur din mahek ne lage hai
Teri narm saason ne aise chhua hai
Ke mere to pau, bahek ne lage hai

Labo se agar tum, bula naa sako to

Nigahon se tum naam, lekar bula lo
Tumhari nigahen bahot bolti hai
Zara apni aankhon par, palke gira do

Mujhe chhu rahi hai, teri garm saase
Mere raat aur din mahek ne lage hai

Pata chal gaya hai ke, manzil kaha hai
Chalo dil ke lambe, safar pe challenge
Safar khatm kar denge hum to wahi par
Jahan tak tumhare, kadam le challenge

Mujhe chhu rahi hai, teri garm saase
Mere raat aur din mahek ne lage hai
Teri narm saason ne aise chhua hai
Ke mere to pau, bahek ne lage hai.
