

Mujhe dard deke yeh keh diya
Mujhe dard deke yeh keh diya
Mere paas iski dawa nahi
Mere paas iski dawa nahi
Tere pyar ki hai yahi saza
Tere pyar ki hai yahi saza
Meri isme koi khata nahi
Meri isme koi khata nahi

Tere paas rehke bhi door hoon
Mere dil mein kya hai
Main kya kahun main kya kahun
Tera dil to khud hai dukha hua
Tera dil to khud hai dukha hua
Mujhe tujhse koi gila nahi
Mujhe tujhse koi gila nahi

Mujhe haste haste rula diya
Meri har khushi ko mita diya mita diya
Ke bahar apni main dekhti
Ke bahar apni main dekhti
Wo naseeb mujhko mila nahi
Wo naseeb mujhko mila nahi

Kaha leke jau yeh bekali
Tuhi dekh meri bekashi yeh bekashi

Tujhe bhul jau to bewafa
Tujhe bhul jau to bewafa
Jo wafa karun to wafa nahi
Jo wafa karun to wafa nahi
Mujhe dard deke yeh keh diya
Mujhe dard deke yeh keh diya
Mere paas iski dawa nahi
Mere paas iski dawa nahi.
