

Mujhe ishq se rehna tha door
Gham iske bade jo hain mash hoor
Par yeh dil hai ki bilkul mana nahi
Mujhe kheench kar
Dekho le aaya wahin
Jahaan ishq hai bas ishq hai
Haan ishq hai bas ishq hai

Is dard e dil ki sifaarish
Ab kar de koi yahan
Ke mil jaaye ise woh barish
Jo bhiga de poori tarah

Is dard e dil ki sifaarish
Ab kar de koi yahan
Ke mil jaaye ise woh barish
Jo bhiga de poori tarah

Tu jo mila to zindagi hai badli
Main poori nayi ho gayi
Hai be asar duniya ki baatein badi
Ab teri sunu main sada
Hmm milne ko tujhse bahaane karoon
Tu muskuraye wajah main banoon
Roz bitana saath mein tere
Sara din mera

Is dard e dil ki sifaarish
Ab kar de koi yahan
Ke mil jaaye ise woh barish
Jo bhiga de poori tarah

Is dard e dil ki sifaarish
Ab kar de koi yahan
Ke mil jaaye ise woh barish
Jo bhiga de poori tarah

Kya hua asar tere
Sath reh kar na jaane
Ke hosh mujhe na raha

Zuban pe aake ruke
Par ho na sake woh bayan
Dhadkan tera hi naam jo le
Aankhein bhi paigham yeh de
Teri nazar ka hi yeh asar hai
Mujh pe jo hua

Is dard e dil ki sifaarish
Ab kar de koi yahan
Ke mil jaaye ise woh barish
Jo bhiga de poori tarah

Is dard e dil ki sifaarish
Ab kar de koi yahan
Ke mil jaaye ise woh barish
Jo bhiga de poori tarah.
