

Mujhe kambal manga de o bedardi  
Mujhe kambal manga de o bedardi  
Mujhe kambal manga de o bedardi  
Din dahade hi jhade ne had kardi

Meri khatiya to tune khadi kardi  
Meri khatiya to tune khadi kardi  
Meri khatiya to tune khadi kardi  
Door kaise karunga teri sardi  
Ho mujhe kambal manga de o bedardi  
Mujhe kambal manga de o bedardi

Har bhar karke chale hawaye  
Thar thar kaampe seena  
Tere pyaar ki dhoop khile to  
Aaye mujhe paseena  
Tere sar se bhoot utarun  
Aaja re ka aaja  
Chala aa pyaar ki angithi  
Tu bandh karle darwaza  
Paas tere khada tera humdardi  
Mujhe kambal manga de o bedardi  
Mujhe kambal manga de o bedardi  
Din dahade hi jhade ne had kardi  
Meri khatiya to tune khadi kardi  
Meri khatiya to tune khadi kardi

Meri jawaani ke dawaje ki  
Kundi khadkade  
Karle pyaar mujhe beshaq tu  
Neendein meri udda de  
Tu meri bulbul hai ke  
Par mein tere katar ke  
Aaj tere hotho se peelu  
Nain katore bhar ke  
Door karni padegi teri sardi  
Mujhe kambal manga de o bedardi  
Mujhe kambal manga de o bedardi
