

Mujhe le chalo, aaj phir us gali me  
Jaha pahle pahle, ye dil ladkhdaya  
Vo duniya, vo meri mohabbat ki duniya  
Jaha se mai betabiya leke aaya  
Mujhe le chalo,

Jaha so rahi hai meri zidagani  
Jaha chhod aaya mai apni javani  
Vaha aaj bhi ek chokhat pe taza  
Mohabbat ke sajdo ki hogi nishani  
Mohabbat ke sajdo ki hogi nishani  
Mujhe le chalo

Vo duniya jaha uski naqshe kadam hai  
Vahi meri khushiya, vahi mere gam hai  
Mai le aaunga khak us rahguzar ki  
Ke us rahguzar ki to zare sanam hai  
Ke us rahguzar ki to zare sanam hai  
Mujhe le chalo

Vaha ek rangin chilman ke pichhe  
Chamkta huya uska, rukasar hoga  
Basa lung aankho me vo roshani mai  
Yuhi kuch ilaje dilezar ho  
Yuhi kuch ilaje dilezar ho  
Mujhe le chalo

Mujhe le chalo, aaj phir us gali me  
Jaha pahle pahle, ye dil ladkhdaya  
Vo duniya, vo meri mohabbat ki duniya  
Jaha se mai betabiya leke aaya  
Mujhe le chalo.
