

Keh do keh do dil ki baate  
Aisa pal phir ho na ho  
Na rahu main na rahe tu  
Pal yeh kal phir ho na ho  
Mujhe tumse mohabbat hai  
Magar main keh nahi sakta  
Mujhe tumse mohabbat hai  
Magar main keh nahi sakta  
Karu to kya karu bole  
Bina hi reh nahi sakta  
Mujhe tumse mohabbat hai  
Magar main keh nahi sakta  
Keh do keh do dil ki baate  
Aisa pal phir ho na ho  
Na rahu main na rahe tu  
Pal yeh kal phir ho na ho

Tumhe tanhayi mein sochu to  
Dhadkan ruk si jati hai  
Tumhare samne aakar  
Nazar kyu juk si jati hai  
Tumhare dil ki har halat  
Hamara dil samajhta hai  
Mohabbat karne walo ki  
Har mushkil samajhta hai  
Yeh har mushkil samajhta hai  
Gujarti kya hai chahat mein  
Yeh dil kuch keh nahi sakta  
Mujhe tumse mohabbat hai  
Magar main keh nahi sakta  
Karu to kya karu bole  
Bina hi reh nahi sakta  
Keh do keh do dil ki baate  
Aisa pal phir ho na ho  
Na rahu main na rahe tu  
Pal yeh kal phir ho na ho

Na neend apni na chain apna  
Na dil ki koi baat apni  
Na hosh apne na jaan apni

Na din apna na raat apni  
Ab apni bekarari ka  
Main khud hi hu tamasha  
Na bolu to juba chalti hai  
Bolu to hai ruswayi  
Ke bolu to hai ruswayi  
Hai aisa dard iss dil mein  
Jise ab seh nahi sakta  
Mujhe tumse mohabbat hai  
Magar main keh nahi sakta  
Karu to kya karu bole  
Bina hi reh nahi sakta  
Keh do keh do dil ki baate  
Aisa pal phir ho na ho  
Na rahu main na rahe tu  
Pal yeh kal phir ho na ho.
