

Mujhe tumse mohabbat ho gayi hai
Mujhe tumse mohabbat ho gayi hai
Ye dunia khubsurat ho gayi hai
Mujhe tumse mohabbat ho gayi hai

Khuda se roz tumko mangta hu
Khuda se roz tumko mangta hu
Meri chahat ibadat ho gayi hai

Wo chehra chand hai aankhe sitare
Wo chehra chand hai aankhe sitare
Jami phulo ki jannat ho gayi hai

Bahut din se tumhe dekha nahi hai
Bahut din se tumhe dekha nahi hai
Chale bhi aao muddat ho gayi hai
Ye dunia khubsurat ho gayi hai
