Mujhe tumse mohabbat hai

Yeh meri dasta mani
Yeh mere dil ki hai rani
Batau kis tarah tujhko
Jo hai wajah pareshani
Yeh sab teri badaulat hai
Mujhe tumse mohabbat hai

Rahe ulfat mein hu tanha
Nahi fursa koi mera
Musibat hi musibat hai
Kayi taske zara aa jao
Mujhe tumse mohabbat hai
Mujhe tumse mohabbat hai.
