

Aye raat ke andhere mujhko gale laga le  
Ruthe hue hai meri takdir ke ujale  
Aye raat ke andhere

Manjil pukarti hai aaja hasi rahi  
Ho mumkin hai tujhko roke  
Badhi hui syahi  
Aye raat ke andhere.

Tu shame dil jala kar  
Aage kadam badha le  
Aye raat ke andhere mujhko gale laga le
