

Isse pehle ke haseen  
raat ka jaadoo jaage  
isse pahle ke haseen  
raat ka jaadoo jaage  
apni zulfon ko sunghaa kar  
mujhe behosh karo  
apni zulfon ko sunghaa kar  
mujhe behosh karo  
dil mein jo hashra utha hai  
usse khaamosh karo

apni zulfon ko sunghaa kar

husn waale to abhi  
aur ghazab aur ghazab  
mujhse karte ho muhabbat se  
muhabbat ki talab  
mujhse karte ho muhabbat se  
muhabbat ki talab  
kaise deewaane ho  
kuchh hosh karo hosh karo  
kaise deewaane ho  
kuchh hosh karo  
hosh karo  
apni zulfon ko sunghaa kar

husn hai chaand hai  
mehki huyi tanhaayi hai  
jhoomti gaati bahaaron ki  
baaraat aayi hai  
jhoomti gaati bahaaron ki  
baaraat aayi hai  
aaj to dil se gham e dil ko  
paraamosh karo  
aaj to dil se gham e dil ko  
paraamosh karo  
apni zulfon ko sunghaa kar

kahin iss aag mein  
jal jaaye naa saari duniya  
kahin is aag mein  
jal jaaye naa saari duniya  
sholaa e ishq ko  
mansookh karo khaamosh karo  
sholaa e ishq ko  
mansookh karo khaamosh karo  
apni zulfon ko sunghaa kar  
mujhe behosh karo  
dil mein jo hashra utha hai  
use khaamosh karo  
apni zulfon ko sunghaa kar  
mujhe behosh karo.
