

Mujhse mera naam to poochho
Mujhse mera naam to poochho
Milane ko bechain hoon main
Kaas ho ke main ban jaau teri zindagi
Mujhse mera naam to poochho
Milane ko bechain hoon main
Kaas ho ke main ban jaau teri zindagi
Mujhse mera naam to poochho

Dekha tujhe main deewana huua
Teri adaa ka nishana huua
Dekha tujhe main deewana huua
Teri adaa ka nishana huua
Thodi thodi bekaraari badhi
Dheere dheere ye khumari badhi
Mere dil ko churati hain teri saadgi

Mujhse mera naam to poochho

Mere liye tu hain ek ajnabi
Mile agar ek nazar pyaar ki
Mere liye tu hain ek ajnabi
Mile agar ek nazar pyaar ki
Dekhi kahin kho na jaana
Ye to kaho phir milogi kahan
Iss liye jaane ka jaa karo dosati
Mujhse mera naam to poochho
Milane ko bechain hoon main
Kaas ho ke main ban jaau teri zindagi
Mujhse mera naam to poochho

Mujhse mera naam to poochho
Milane ko bechain hoon main
Kaas ho ke main ban jaau teri zindagi
Mujhse mera naam to poochho
Mujhse mera naam to poochho
Mujhse mera naam to poochho

Mujhse mera naam to poochho.
