

You've to take a little care of your heart..
Kahna tha tumse from the very start..
Yeh hai dil ki baat..

You've to take a little care of your heart..
Kahna tha tumse from the very start..
Yeh hai dil ki baat..

Ek aisa hai shahar
Jaadoo sa hai zahar..
Parwana ban jaaye..

Yahaan sabhi koi, sapno ko le aaye..
Apni manzil chale..

Jeena mushkil yahaan
Ruk jaaye to kahan..
And there is no shadow of dawn..

Mumbai ki dhadkan khaas hai..
Hai hamari shaan..
Mumbai ki dhadkan mein josh hai..
Hamara hai imaan..
Mumbai ki dhadkan mein jaan hai..
Hai hamari shaan..
Mumbai ki dhadkan mein pyar hai..
Aazma le meri jaan
Yeh hai dil ki baat..

You've to take a little care of your heart..
Kahna tha tumse from the very start..
Yeh hai dil ki baat..

Dil mein na koi darr, lekin sambhal kar..
Jahaan bhi tu jaaye..
Zindagi hai kathin..
Ek tohfa hai her din
Ab socho meri jaan..

Dil ki yeh baat hai..
Ab sab hi sath hai..

And there is no shadow of dawn..

Mumbai ki dhadkan khaas hai..

Hai hamari shaan..

Mumbai ki dhadkan mein josh hai..

Hamara hai imaan..

Mumbai ki dhadkan mein jaan hai..

Hai hamari shaan..

Mumbai ki dhadkan mein pyar hai..

Aazma le meri jaan

Yeh hai dil ki baat..
