

Kahaan chali, kahaan chali  
Kahaan chali, kahaan chali  
Kahaan chali, kahaan chali  
Kahaan chali

Mummy ne puchha kahaan chali,  
Daddy ne puchha kahaan chali  
Mummy ne puchha kahaan chali,  
Daddy ne puchha kahaan chali  
Maine kahaan main chali  
Prem gali baaba prem gali,  
Prem gali re baaba prem gali  
Meri nind udd gayi hai,  
Mera chain kho gaya hai  
Mujhe kya ho gaya hai,  
Mujhe ishq ho gaya hai  
Mujhe ishq ho gaya hai  
Mummy ne puchha kahaan chali,  
Daddy ne puchha kahaan chali

Aa mere mehboob aa,  
Band pinjare tod ke  
Aur chalte hai kahin  
Iss shehar ko chhodake  
Aa mere mehboob aa,  
Band pinjare tod ke  
Aur chalte hai kahin  
Iss shehar ko chhodake

Mera naam iss shehar  
Mein badnaam ho gaya hai  
Mujhe kya ho gaya hai,  
Mujhe ishq ho gaya hai  
Mujhe ishq ho gaya hai

Mummy ne puchha kahaan chali,  
Daddy ne puchha kahaan chali  
Kahaan chali  
Kahaan chali, chali chali prem gali

Dur tak iss aag ka,  
Yeh dhunwa jaane laga  
Log sab jalane lage,  
Bas maja aane laga  
Dur tak iss aag ka,  
Yeh dhunwa jaane laga  
Log sab jalane lage,  
Bas maja aane laga  
Saara jahaan jalake  
Bas raakh ho gaya hai  
Mujhe kya ho gaya hai,  
Mujhe ishq ho gaya hai  
Mujhe ishq ho gaya hai
