Munde nave nave  
Baapu de paise khulke udaan de

Munde nave nave  
Karde full nasha full nasha full nasha  
Karde full nasha full nasha full nasha  
Kudiyan patane disco mein jaande  
Munde nave nave  
Baapu de paise khulke udaan de  
Munde nave nave  
Karde full nasha full nasha full nasha  
Karde full nasha full nasha full nasha

Jaise jeete hain angrez,  
Tu bhi waise jeeke dekh  
Aaj kamaa aaj udaa,  
Atm ko de tu faink  
Sadda haq khulke chilla,  
Rockstar tu bhi ban ja  
Baal bada guitaar baja,  
Shaam ko pi ke ghar pe aa  
Khol de khidki khulke cheekh,  
Public bhi le gana sikh  
Teri jeb se kya jaayega,  
Ladko ko mazaa aayega  
M m m mazaa aayega

lyrics

Body bana le bikeka chalande  
Munde nave nave  
Tattoo bana ke photo khinchande  
Munde nave nave  
Karde full maza o karde full maza  
Full maza full maza  
Karde full nasha full nasha full nasha  
Karde full nasha full nasha full nasha

Music rock and roll hai,  
Fir kyun karna control hai  
Jo jee chahe wo kare,

Paise sadde kol hai  
Paise sadde kol hai,  
Te dadhi de bajate dhol hain  
Paise sadde kol hai,  
Te dadhi de bajate dhol hain  
Arey dadhi de bajate dhol hain  
Nachte ve nachte ve  
Munde pi pi daaru full  
Nachte ve nachte ve  
Munde pi pi daaru full  
Chal mitra chal ghumne chaliye  
Hoke talli tull  
Karde full maza o karde full maza  
Full maza full maza  
O karde full nasha full nasha full nasha  
Sutte lagande chhalle udan de  
Munde nave nave  
Jithe bhi jande jalwe dikhande  
Munde nave nave  
Karde full maza o karde full maza  
Full maza full maza  
Karde full nasha full nasha full nasha  
Karde full maza full maza full maza  
Karde full nasha full nasha full nasha.
