

Haste dekha to bole sitare to bole sitare
Marte nahi hai mohabbat ke mare
O piya piya

O piya pyare kya man mein tumhare
Mai janu main janu main janu re
Ye gupchhup ishare kare kya tumhare
Mai janu main janu mai janu re
O piya pyare kya man mein tumhare
Mai janu main janu main janu re
Piya piya o piya piya piya pyare

Jo tumne kaha hai wo dil ne suna hai

Jo dil ne suna hai ha dil mein hamare
Jo tumne kaha hai wo dil ne suna hai
Jo dil ne suna hai ha dil mein hamare
Mai janu mai janu main janu re
O piya pyare kya man mein tumhare
Mai janu main janu main janu re
Piya piya o piya piya piya pyare

Waha dur baithe yu kya dekhte ho
Yaha aao kano me kah du tumhare
Waha dur baithe yu kya dekhte ho
Yaha aao kano me kah du tumhare
Mai janu main janu main janu re
O piya pyare kya man mein tumhare
Main janu mai janu main janu re
Piya piya o piya piya piya pyare
Ye gupchhup ishare kare kya tumhare
Mai janu main janu main janu re
O piya o piya.
