

Murkh hai jo sagar ki  
Maujo me fas kar rota hai  
Is sagar me mauje hai  
Uska bhi kinara hota hai  
Chhod de naiya bhawar  
Me dar nahi tufan se  
Chhod de naiya bhawar  
Me dar nahi tufan se  
Mangne wale ko milti hai  
Madad bhagwan se  
Chod de chod de naiya

Kahte hai dunia jise julm  
O sitam ka nam hai  
Kahte hai dunia jise julm  
O sitam ka nam hai  
Thokre khakar sambhalna  
Hi hamara kam hai  
Bhul to hoti rahegi  
Umar bhar ye tu than lw  
Chod de chod de naiya

Apne malik par bharosha  
Hai tujhe nadan  
Apne malik par bharosha  
Hai tujhe nadan  
Gum tujhe kis bat ka hai  
Dekh dunia se na dar  
Mangta hai kyu bhikh  
Daya ki insan se  
Chhod de naiya bhawar  
Me dar nahi tufan se
