

Pehli sharat judai hai
Ishq badda harzai hai
Tumpe kisne dastak di
Tum ho ya tanhai hai
Tujhko bhule baithi thi
Fer se teri yaad aayi hai
Dil ki kisne dastak di
Tum ho ya tanhai hai
Murshida..murshida..murshida
Almatda dosti murshida
Alvida..alvida..alvida..
Alvida dosti murshida

Sukhe phool hai haatho mein
Pyar ka mosam chaha tha
Sukhe phool hai haatho mein
Pyar ka mosam chaha tha

Usne jakham diye humko
Jisse marhum chaha tha
Jisse marhum chaha tha
Aansu ki uski bundo ne
Dil mein aag lagai hai
Dil ki kisne dastak di
Tum ho ya tanhai hai
Murshida..murshida..murshida
Almatda dosti murshida
Alvida..alvida..alvida..
Alvida murshida..
