Manzil ko pa lu
Pyaar se dekh le
Bas mujhe ik najar
Mushkil nahi hain yeh
Safar tera saath
Mil jaaye agar
Main mohabbat
Ki manzil ko pa lu
Pyaar se dekh le
Bas mujhe ik najar
Mushkil nahi hain yeh safar

Maine dekha nahi hai khuda ko
Main khuda ko nahi jaanati hoon
Maine dekha nahi hai khuda ko
Main khuda ko nahi jaanati hoon
Par jahaan mein khudaaai nahi hai
Baat yeh bhi nahi maanati hoon
Teri har ik wafa ik duwa hai
Iss duwa ko na
Kar dena tu beasar
Mushkil nahi hain yeh safar
Tera saath mil jaaye agar
Main mohabbat
Ki manzil ko pa lu
Pyaar se dekh le
Bas mujhe ik najar
Mushkil nahi hain yeh safar

Ek insaan ko chaahiye kya
Bas mohabbat mohabbat mohabbat
Ek insaan ko chaahiye kya
Bas mohabbat mohabbat mohabbat
Kya jarurat hai usako jahaan
Mein jisape ho dilruba ki inaayat

Inn dino mein mohabbat ko roshan
Kis liye woh phire toh bata dar badar
Mushkil nahi hain yeh safar
Tera saath mil jaaye agar
Main mohabbat ki manzil ko pa lu
Pyaar se dekh le bas mujhe ik najar
Mushkil nahi hain yeh safar
Tera saath mil jaaye agar.
