

Muthaaramae Lyrics

Muthaaramae muthaaramae
Thalladudhae en nenjamae
Kaadhal enum noi vandhadhae
Innum yen sandhegame
Yengaandha neram unnale maarum
Nenjodu nee vaazhavadhaale

Idhazh solladha sollum
Kolladha mullum
Ennnaale valiyaaghi sumaiyaghi
Manam vattum yen

Neer thedum or dhaaga kaagam
Veen seiyumoo paarai neerum
Jadaigal sonnale podhum
Mana padam un seigai aagum
Alaiyaamal vandha virundhaali kaadhal
Thayangaamal madai yerudhae
Oh ho irandhene indru kurai illai endru
En paadhai thannale seeraanadhe

Pani vaadai kaatraadum neram
Kall unda kalipodu naanum
Kann jaadai paechaaga pogum
Uravaada aayatham aagum
Vandhaayo ingu sendraayo kandu
Urakathil udal verkudhae
Hey ey nillayo angu sollaayo vandhu
Aal kadailil unnale karai neeludhae
